General Statement on homework.

Homework is part of a continuous learning process and in Ballinure School ,we regard homework as important for the following reasons:

- It allows pupils the opportunity to revisit, revise and consolidate skills learned in class.
- It can help pupils to make more rapid progress in learning, ie constant revision and" practise makes perfect"
- It can involve parents and family in the pupil's work, to their mutual benefit.
- It gives pupils an opportunity for independent learning and study.
- It fosters good habits and study skills which are crucial to success at secondary school and in later life.

It also enables the teacher:

- To monitor pupil progress with a view to improving standards.
- To provide pupils and parents with clear and relevant feedback.
- To suggest strategies for improvement and goals to be achieved.
- To seek extra resources to support those pupils in need of additional help or additional challenge.

Each teacher assigns homework.

A homework guideline is sent home to all parents in September ,outlining the type of homework . and approximate time frame for completing it in.

It is our policy not to give homework on Fridays or on other special occasions .
